

## MILAM FARMERS TO DEVELOP ACP PLAN

### Farmers Eligible For 1952 ACP Assistance Asked To Develop Plan

To be eligible for assistance under the 1952 Agricultural Conservation Program, each cooperating farmer in Milam county will be asked to develop a conservation plan for his farm that will make the greatest contribution to the Nation's present and future food and fiber needs and designate the practices to be carried out in 1952.

This double barrel objective, conservation for present and future production—Paul C. Graves, chairman of the county PMA committee, explains, is aimed at insuring the production of the agricultural commodities needed in the current defense effort and at the same time protecting and improving the land so that the continuing needs of the nation's rapidly increasing population may be met.

In developing his plan for conservation under the 1952 ACP, Chairman Graves advises, the individual farmer should build on the conservation progress already made and should take advantage of any conservation plan developed for his farm with the assistance of a State or Federal agency.

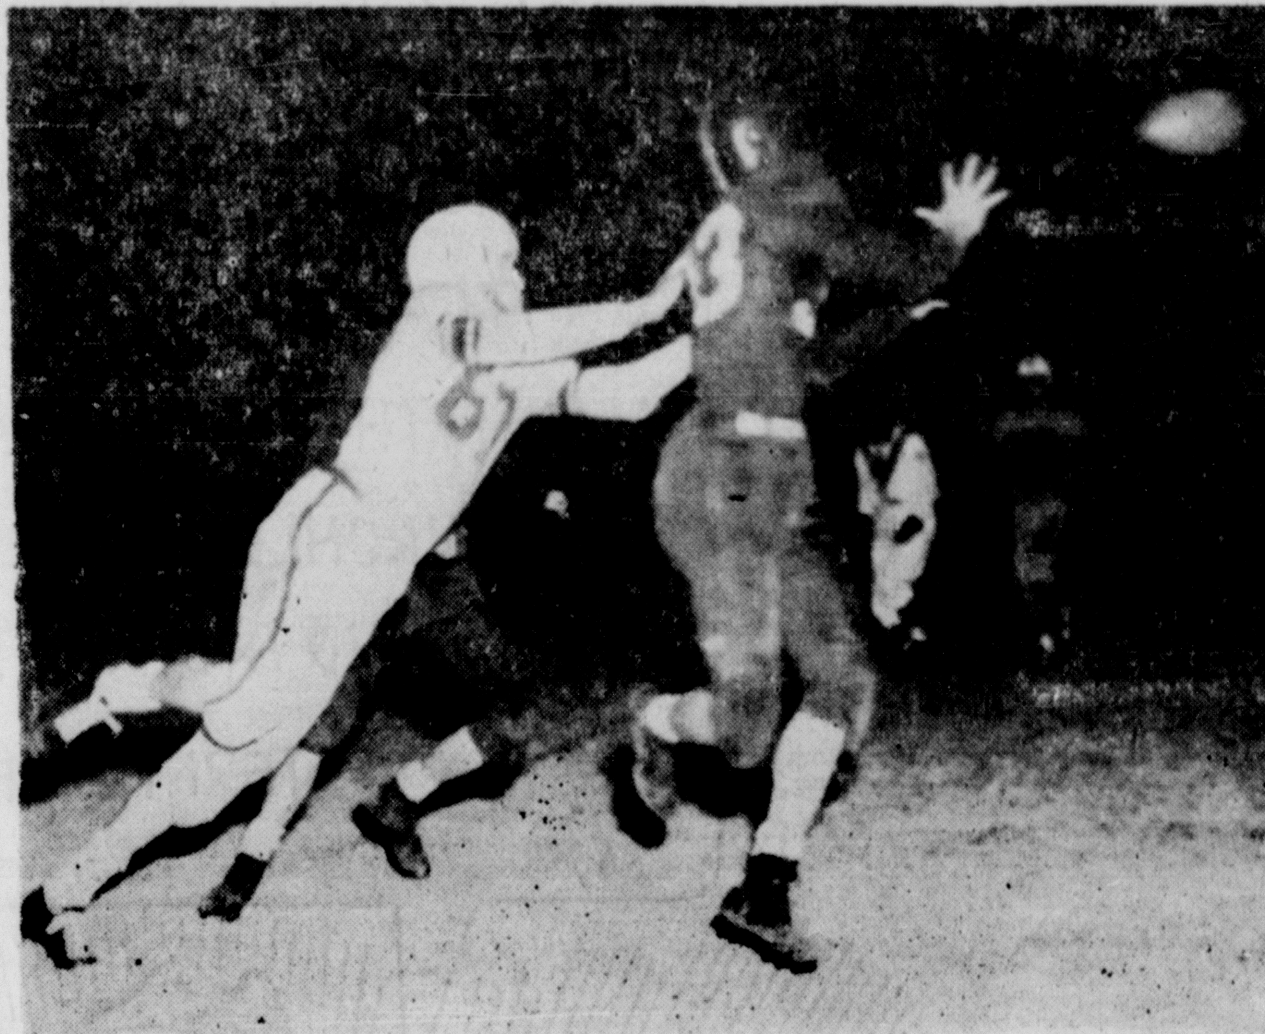

Each cooperating farmer will be asked to designate from the county list of Agricultural Conservation Program practices of which he thinks will contribute most to getting his program underway and which are most justified as a public investment in production protection.

Each cooperating farmer is urged to make the fullest use of the financial aid available under the Agricultural Conservation Program and of the technical assistance of the Soil Conservation Service, Extension Service, or other State or Federal agency.

The Chairman advises, that each farmer in the county will be visited by his community committeemen to help him select the most needed conservation practices that he believes he can successfully carry out in 1952.

## SCOUT LEADERS TO ATTEND CONFERENCE

### YOEMEN LOSE FINAL TILT 13-7

Shown above is one of the many heart-breaking plays that wound the Yoemen up on the short end of a 13-7 count Friday Night. La Vega end, Speck, managed to bat the ball away just as it reached the outstretched arms of Glen Rosenberg.

Everybody likes to win, but some one has to lose and that's what the Yoemen did Friday night to the heartbreaking tune of 13-7.

The La Vega Pirates squeaked past the battling Yoemen in the final period of the Regional tilt Friday night at Thomason Field. The Pirates moved into the quarter finals of the state AA championship race.

LaVega was trailing by a narrow margin of 7-6 until midway the fourth period when the Pirates suddenly, behind the power of Billy Keler, Joe Tyler and Carroll Dailey drove on down to the Yoemen 12. Here the Yoemen were penalized down to the one foot line and Tyler drove over on the second play from scrimmage. Rose passed to Dailey was good for the extra point.

As the first quarter got underway Ray Thompson, Eddy Lankford, and Rosenberg racked up a first down in three tries at the Pirates line, only to have the next play, which was a pass intercepted by Wayne Beheler, Pirate linebacker, on the Yoemen 36. The Pirates drove on down to the Yoemen 10 where the ball went over on downs.

The remainder of the first quarter was a see-saw battle with both lines putting up a stiff battle and charging hard at the shift backs. At the beginning of the second quarter the Bucs lost no time in setting up a six-point lead as Tyler wen over from the 2 yard line.

The Yoemen came right back taking the kick-off and on 12 plays plus a 15 yard roughing penalty scored their only TD of the night. Rosenberg handed the kick-off to Lankford who cut wide to the side, lines hoping to pick up blockers for a TD scamper, at one time it looked like he might have been long gone but Bobby Speck, Pirate end jumped him out of bounds on the 19. With Eldon Batte, Thompson, Lankford and Rosenberg alternating in lugging the piksins, the Yoemen maneuvered the all on down to the Pirate 2 yard line where Lankford pranced over for the tally. Rosenberg's toe set up the 7-6 lead for the Yoemen.

This 81 yard drive by the Yoemen was spectacular in every respect as they cracked the Pirate's line in several good opening plays. The Yoemen went the aerial route shortly before the half but were unable to connect for sufficient yardage as the Pirates were rushing.

### Local Penney Store To Participate In Special Payment

The board of directors of J. C. Penney Company have authorized a special year-end payment of an amount equal to two weeks pay for all full-time associates who have been employed for the full year of 1951 and proportionate amounts for extra and part time associates and those employed less than a year.

All Penney associates except management staff members, those whose earnings are determined largely by the Company's long standing profit sharing plan, will share in the payment. It will be made on December 15, at each rate.

Louis McKee, manager of the Cameron J. C. Penney Store, said that more than 50,000 Penney Associates would participate in the payment, including 17 of the Cameron store.

Mr. McKee said the Company president, A. W. Hughes in a letter to the stores, pointed out that the payment was "based upon the results attained for 1951. An extra payment of this sort for a Company of our size represents a very large amount." The possibility of similar payments in future years will continue to depend upon the results attained in those years.

### Mrs. Frank Barrett Patient At St. Edwards

Mrs. Frank Barrett of Yarellton is a patient in St. Edward Hospital.

Mrs. Barrett recently underwent surgery and is reported resting satisfactorily. She will have to remain in the hospital for a few more days. Her many friends will be glad to learn of her improvement and hope she will soon be up and out again.

### Winners Of Floats In Parade Named; Davilla School Tops List

Float winners for the Christmas parade have been announced according to L. G. Smith, manager at the Chamber of Commerce.

The Davilla School was awarded top honors with the \$15 prize.

Other floats in the winner's division were the Christian Church, second with \$10; St. Monica third, for the \$7.50 prize.

Honorable mentions of \$5.00 each fell to the Clarkson School, B&P Women Club and the Branchville Colored School.

Several thousand were on hand to witness the big event which has been the main attraction for Cameron at this time of the season for several years.

Santa Claus was very generous with his candy and the court house

was thronged for over an hour with boys and girls from all sections of the county.

The parade began promptly at 6:30 P. M. with the many organizations taking part in the colorful event. Much time and hard work as well as planning and arranging for the parade had been underway for several weeks under the general chairmanship of Narvie Caperton.

It was said that every boy and girl in Milam County was on hand to see Santa Claus.

Other floats participating in the parade were Knight of Pythias, Cameron Garden Club, St. Monica School, Troop Three, Girl Scouts, Tabernacle Church and Hefley-Stedman Motor Company.

Queen candidates for the High School are: Senior Class, Betty Jo Short; Junior Class, Norinne Holder; Sophomore Class, Audrey Fisher; Freshman Class, Becky Gohmert.

Entertainment will consist of

boxing, coffee and Coke stand, cake walk, sandwiches and soda pop, dart board, fish pond, country store and others.

Funds received from the carnival will be used for the student activity program, cafeteria and other good causes.

### Automobile Dealers Reminded of Deadline Monday December 10

Southeast Texas automobile dealers today were reminded by the Houston District Office of Price Stabilization that Monday, December 10, is the deadline for posting of ceiling prices on new passenger automobiles offered for sale.

The OPS requires that each dealer offering new automobiles for sale post a notice, not less than 18 inches by 24 inches, setting forth the following information for each make and body style in each line:

Identification of the make, body style and line or series; basic price; charge for transportation, if any; charge for Federal excise tax; charge for state or local taxes on sale or delivery, if any; charge for handling and delivery, if any; and the ceiling price.

### Decoration Contest Deadline December 15

Anyone planning to use decorations visible from the outside and visible at night, however small or insignificant they may seem, are urged to enter the Home Decoration Contest sponsored by the Cameron merchants with the cooperation of the Business and Profession Women's Club, Chamber of Commerce and Junior Chamber of Commerce.

If your decorations are: 1. Outside decorations (visible from the outside); 2. Set up around your home or yard; 3. Lighted so as to be visible at night, do not hesitate to call Phone No. 712 and give your name and address, which will be your chance to win \$15, \$10, \$7.50 or one of three \$5 prizes.

The deadline date, remember, is December 15, and your entry will be judged December 21. Judges will be selected from surrounding towns and will have only have the street address of each house. The judges will not know the names of any of the entrants.

The only basis for judging will be: 1. Originality; 2. Lighting Effect; 3. Arrangement; and 4. Color.

Miss Mildred Thornton is chairman of the committee of the judging for the 1951 Home Decoration Contest and she will secure judges from out of town. The names of the judges will not be disclosed until after the contest.

### Residential Construction In City Leads In November Permits Issued

Building permits for the month of November totaled \$18,575.00 according to Mrs. Neomi Needham, city secretary.

This figure is approximately \$2,000 increase over the October report which was \$16,500.

Most of the permits issued for residential construction in the amount of \$13,100, Mrs. Needham said. Some \$1,300 were issued for garages. The remaining 3,000.00 went for an office for the Hefley-Stedman Motor Company.

Construction has been on the upgrade in recent weeks and more is expected due to increased demand for houses and apartments in the city.

Considerable construction has been reported in both Rockdale and Thorndale.

### Organization Started For Central Texas Platoon, Announced

Chief, W. W. Robbins of the Temple Navy Recruiting Station announced Wednesday that Temple and Waco, recruiting areas have joined forces in organizing a Central Texas platoon to be enlisted in the Navy after Christmas.

These men will be taken to Dallas and completely processed prior to Christmas and will come home for the holidays. Then a naval officer will come to this area for the actual enlistment.

The chief added that 10 applications have already been accepted in Temple for this program. These include men from Temple, Eddy, Cameron and Killeen.

New Training Unit Procedure Adopted By Army Reserve Corps

Austin, Texas, Dec 5.—A new procedure for training units of the Army Organized Reserve Corps in Texas has been adopted and is being put into effect throughout the state, Col. C. M. Culp, Chief of the Texas Military District, announced today.  
The plan has the dual purpose of improving the effectiveness of instruction now being given reservists at their home armories and affording a large number of Volunteer reservist an opportunity to take a more active part in the reserve program, Col. Culp stated.  
Fourth Army Headquarters at Fort Sam Houston, Texas, has given approval to the new training procedure and recommended its use in the other four military districts under its jurisdiction.  
Col. Paul B. Malone, Jr., Senior Army Instructor for Texas, is author of the plan and will supervise its operation in the 17 Organized Reserve Instructor areas of the state through a system of inspector adviser teams.  
Functioning in connection with the Organized Reserve Corps Training Programs prepared and distributed by the Office of Chief of Field Forces of the Army earlier this year, armory training will be rehearsed before senior officers of the Volunteer Reserve, Col. Malone explained.  
Here is how it will work. In each instructor area senior reserve officers from the various branches of the Army will be formed into inspector-adviser teams to rehearse all instruction before it is presented. Instruction is usually presented in Reserve units by members of the unit. The member who is selected to give instruction for a particular subject will prepare his lesson plan two periods in advance and make all arrangements for conducting the class. At least one training period before his scheduled appearance he will go before an inspector adviser and give a dress rehearsal of the in-

Members of the inspector-adviser teams will suggest changes, deletion or additions to the instruction. Each phase of the subject matter to be covered will be rehearsed and approved by the advisory team before it is presented to the unit.

## Pvt. Joe Vrazel Taking Basic Training With 7th Division

Pvt. Joe J. Vrazel, Jr., son of Mr. and Mrs. Joe Vrazel, Sr., of Cameron, Route 1, is now taking infantry basic training with the 7th Armored Division, at Camp Roberts, California.

November 24 marks the first birthday of the 7th Armored Division, stationed at Camp Roberts, since it was reactivated as an infantry training division. Camp Roberts is midway between San Francisco and Los Angeles, thirty miles inland from the Pacific Ocean. The largest replacement training center in the West during World War II, the sprawling camp was closed in 1945 and reopened last year.

Private Vrazel will train at Camp Roberts under the army's most advanced basic educational setup, the Division Faculty system.

Mr. and Mrs. Demmie Kemp of Greensburg, La., spent a few days in the Kemp home in Cameron where they were joined by Mrs. Rosa Kemp Adams of Houston, after which they spent a few days in Houston.

Mr. and Mrs. Jim Coleman of Baytown spent the past week end with friends in Cameron.

## Clipping in Gonzales Paper Mailed To Local Citizen

The following article was taken from the Gonzales Inquirer of the November 27 issue. Both L. G. Smith, manager of the Chamber of Commerce and L. W. Smith, superintendent at the Cameron Water Department received a clipping of same.

Now that it's all over and done with, we think a word of praise goes to Cameron citizens for the swell time shown the Gonzales people during the recent football game.

Although we are sorry we didn't win, we are glad to be loser (if it had to be, of course) to such a swell bunch of people.

No time in our entire life have we seen anything like it. No time can we ever remember of us losing a game, and an important one at that, and coming home in a good humor about it.

Not one cross word have we heard about the Cameron people or the game. We simply lost to a better team.

And we were reminded of another important game where we weren't the losers this time, and where said losers were mighty upset about the whole affair. Claim.

But if we'd been the winners we still think Cameron folk would have been just as nice.

People like this don't just act nice when they win, or win or lose, it's still just a game. A game in which we are supposed to set an exam-

ple for our young people, a good example at that.

So off goes our hat in a big, big doff to Cameron citizens, a doff in which we find we are being joined by all Gonzales. We hope that the Cameron people will picture us thus, an entire town bowing with hat in hand, all in unison, in tribute to a great little town and to a greater people.

And Cameron folk, we'll be rooting with our whole hearts for you to win in the game Friday night, and after that, on to the state, for such a team as you have is worthy of the best.

So we were more than proud of the way our team and our rooters acted. We could sit back and beam with pleasure that Gonzales folk had had "raisin'."

Mrs. Bill Alex Bonds, of Houston spent the week end at her home here, where she was joined by her sister, Mrs. A. L. Peterson of Yoakum.

## Funeral Services Held Thursday For Prominent Cameron Merchant

Funeral services for Frank Cheeves, 42, were held from the Chapel of the Green Funeral Home Thursday at 3 P. M. November 29, with Dr. Mark Magers and Dr. P. A. Corkern, officiating.

Mr. Cheeves died at the St. Edward Hospital Wednesday morning, November 28. He had been in declining health for a number of years. He had been a patient at the hospital for several days and his condition was known to be critical for some time.

Friends of the family were sorrowed to learn of his death.

Mr. Cheeves, member of a prominent Milam County family, was born January 1, 1909, the son of the late S. W. Cheeves and Mrs. Carrie Cheeves, who resides on North Travis. He was the brother of Mrs. Niley Smith, Jr., of Cameron.

He was a graduate of Yoe High School and attended the University of Texas. Mr. Cheeves became associated in business with his father several years ago and after his father's death took a leading stride among the businessmen of the city.

His resourceful ability as a merchant has been responsible for much of the progress and advancement among the business organizations of the city. He has been instrumental in the progress of Cheeves Brothers Dry Goods, an established firm that has been a leader in its field over the span of years.

He married the former Dale Ford also a member of a well known Milam County family, and to this union was born two girls, Lucy and Barbara Cheeves.

Surviving are his widow, Mrs. Dale Cheeves two daughters, Lucy Cheeves and Barbara Cheeves, his mother, Mrs. Carrie Cheeves; three sisters, Mrs. Niley Smith, Jr., of Cameron; Mrs. C. R. Warren of Fort Smith, Arkansas, and Mrs. Fontaine Flinn of Corpus Christi. Among other survivors are: B. F. Stewart of Cameron; Mrs. C. N. Green, Mrs. W. J. Woods of Cameron and Mrs. Ida Jackson of Durango.

Pallbearers were: Monroe Smith of Houston, Bassett Watson of Dallas, Harry Crawford, of Waco, Glenn Flinn of Tyler, Bill McIntosh, Frank Reid, Stanley Swift, R. L. Batte, III, O. B. Harden, Make McDermott, Melvin Ford, and Andrew Esslinger.

Honorary pallbearers were: Dr. Clifford Swift, Dr. T. L. Denson, Dr. Jack Walker, Dr. Marvin Bartlett of Cameron, and Dr. G. V. Brindley of Temple.

## Last Rites Held For John Isham

Funeral services for John Isham, 50, were held from the chapel of the Greens Funeral Home at 3 P. M., Friday, November 29, with Rev. Harrison McLerran officiating.

Interment was made in Oak Hill Cemetery with Greens Funeral Home directing the arrangements.

Mr. Isham died suddenly Wednesday afternoon, November 28, in Rosenberg, where he had lived for sometime.

He was the brother of Mrs. John McLerran of Hoyte.

Surviving are his mother, Mrs. Sarah Isham of Cameron; five brothers, Earl Isham, Ernest Isham and Floyd Isham all of Rosenberg, Carl Isham of Abilene and George Isham of Pittsburg, California; four sisters, Mrs. John McLerran, Mrs. C. H. Gibbs of Rockdale, Mrs. Elmer Morgan of Richmond and Mrs. J. V. Thompson of Greenville, Mississippi.

## Court House Gets Needed Decorations For Yuletide Season

In a special session held by the Commissioners Court several days ago, authorization of the expenditure for the decoration of the court house for the Christmas holidays was agreed upon.

Four trees have been hoisted to the top of the court house with one above each clock. A star has been placed over each of the entrances.

The trees will be decorated by Earl Moseley of Moseley Electric Co. This will be something new for the Friendly City.

## Home Economist

## To make Official Visit To Farm Families In Local Area

Miss Gertrude R. Drinker, National Economist of the Farmers Home Administration will visit farm families in Milam County on Tuesday, December 4.

Those families to be visited are, the Herman Hoelscher's of Route 1, Cameron, Pete Orsage' of Route 2, Buckholts, and Henry Tomasek's of Route 1, Cameron. These families have developed a good live-at-home program and this official visit of the National Home Economist is for the purpose of observing first hand their poultry and related home management enterprises.

These families have been active in the County Family Living Committee and have assisted in their respective communities with developing some more interest in home gardens, food conservation for family use, and a better all-round farm and home living program.

Miss Drinker had served as home demonstration agent in Virginia and Director of the Dairy Council in Richmond, Virginia, before going to work with the

## Students Utilize Educational Safety Programs Offered

Austin, Texas, Nov. 29.—Because 45,000 high school students learned to drive an automobile safely this year, Texas Wednesday (Nov. 28) received its third consecutive Driver Education Award from the Association of Casualty and Surety Companies.

Gov. Allen Shivers accepted the award from Travis D. Bailey of San Antonio, president of the Texas Association of Insurance Agents, in a brief ceremony at the capitol.

In presenting the bronze plaque, Mr. Bailey complimented Texas on the growth of the Driver Education Program in the public schools. When it started available in only 165 schools and less than 12,000 students were enrolled. In 1951, a total of 508 schools offered driver training to more than 45,000 students.

"It is impossible to measure the contribution this program has made to safety on Texas highways," Mr. Bailey said.

Since 1948, when Texas inaugurated its driver education program, Farmers Home Administration. She has served in the Washington office since May, 1948. As National Home Economist, she is responsible for the family living phase of Farmers Home service

## Warfarin Rat Bait Pays Off According To Annual Rodent Report

Warfarin, the new rat and mouse poison, has enabled a northeast Texas poultryman to make a considerable saving in chicken feed, according to the 1951 annual report of the Rodent Control Service.

Rats were eating an average of 32 pounds of feed per day, worth

\$1.60 if valued at five cents a pound. Fifty-eight pounds of warfarin bait, which cost \$14.50, killed 306 rats in a two week period.

This is a typical example of the results obtained with this new poison, which prevents blood from clotting and causes rats and mice to die from internal hemorrhages.

Information on controlling rats with warfarin is given in a new publication prepared cooperatively by the Fish and Wildlife Service of the U. S. Department of Interior and the Texas A. and M. College Extension Service.

## Officers With Commission Are Authorized To Make Transfers

Austin, Texas, Dec. 5.—The Army this week authorized officers of the Organized Reserve, who hold commissions in any of the non-combat branches to voluntarily transfer to the Infantry, Armor or Artillery with immediate recall to active duty.

Col. C. M. Culp, Chief of the Texas Military District announced today.

The opportunity is open both to reserve officers who are in civilian status and those now serving as enlisted men on active duty.

According to the announcement, both company and field grade of-

ficers will be accepted, however, only applications of field officers with previous experience in Infantry will be accepted now as there are no requirements for additional officers above the rank of captain in Armor and Artillery at this time.

Officers of the rank of captain and above are required to have previous experience in the combat arm to which they request transfer. However, lieutenants may be transferred and called to duty without having served in the new army. Prior to reporting for duty in their new assignment, however, company grade officers will be sent to school for a three month refresher course.

Top ages for those applying are: Second Lieutenant, 30; First Lieutenant, 35; Captain, 41; Major, 44; Lt. Colonel, 48. Thirty days notice will be given prior to actual reporting date unless the individual officer requests earlier recall.

Interested reservists are requested to submit their applications through local Organized Reserve Unit Instructors to the Chief, Texas Military District at Austin at the earliest date possible.

## Minnesota Firm Awarded Contract

The Al Johnson Construction Company of Minneapolis, Minn., has been awarded a contract to build the concrete foundations for the aluminum smelting plant under construction near Rockdale by the Aluminum Company of America.

The announcement was made today by Len B. Neubert, Rockdale Works construction superintendent.

The project—one of the largest in connection with the Rockdale Works—will be started next week. The bulk of the foundation work Mr. Neubert added, will be completed by July.

Clearing and grading of the plant site was finished last week. Already, a construction office building is being constructed. It will be completed by mid-December.

## Miss Dosithea Hanel, Joe Hobizal Married In Church Ceremony

Dosithea Hanel, daughter of Mr. and Mrs. Frank Hanel, became the bride of Joe Hobizal of Fort Hood, at the Saint Monica's Church, 9:00 A. M., Saturday, November 24. The bridegroom is the son of Mr. and Mrs. John Hobizal of Hungerford.

The impressive double ring ceremony was read by Rev. Arthur Michalka. He was assisted by Rev. George Duda.

The altar was decorated with white mums. Mrs. Frank Hanel, mother of the bride was the organist and the choir sang Gounod's Ave Maria and other selections as "Mother At Your Feet We Are Kneeling", "What Happiness Can Equal Mine and Jesus" and "Thou Art Coming."

Given in marriage by her father, the bride was gown in white slipper satin with a sweetheart neckline and brief train. The bodice was fitted and was pointed at the waist. The sleeves were long and came to a point over her hands.

The bridal veil extended from a tiara and she carried a bouquet of white mums with satin streamers a top a white prayer book that belonged to her grandmother. Her only jewelry was a cross and chain worn as a necklace.

Miss Rita Hanel, sister of the bride was maid of honor and wore a blue taffeta with blue net skirt styled similar to the that of the bride, and wore a net stole. She carried a nosegay bouquet of white mums.

Bridesmaids were Miss Joan Hanel, also sister of the bride and

Misses Christine Michalka and Veronica Michalka, cousins of the bride. They wore blue taffeta frocks similar to the maid of honor. Little Monica Mikula, daughter of Mr. and Mrs. Pete Mikula was flower girl and was dressed in a dainty gown in keeping with the wedding colors. Michael Anton Hanel was ring bearer.

Charles Kunz was best man. Groomsmen were Pete Kunz, Gregory Hanel and Florence Karnowski. Ushers were Clarence Hanel and Victor Macha.

Mrs. Hanel, mother of the bride wore a black gabardine suit with black accessories and a white mum corsage. The grooms mother wore a green gabardine dress with black accessories and a corsage of white mums.

Following the ceremony a reception was held at Simon-George Hall by the bride's parents. A dinner was served to approximately 200 guests. The beautiful wedding cake was three tiered and was decorated with double wedding rings. White mums and cathedral tapers in candelabra formed the centerpiece for the large table.

Anna Marie Hanel registered the guests in the bride book. Mrs. Johnny Marek of Houston cut the cake and Miss Barbara Hanel also of Houston served the coffee.

For going away the bride chose a navy blue gabardine suit with matching accessories. She wore a corsage of mums.

Following a wedding trip the couple will make their home in Leiton.

## Eleta Mae Eixman, Robert Matthews United In Marriage Sunday

The wedding of Miss Eleta Mae Eixman, daughter of Mr. and Mrs. Bruno Eixman and Robert Lee Matthews took place on Sunday, December 2, at 4:00 P. M.

The nuptial vows were exchanged at the home of Rev. Harrison McLerran at Maysfield with Rev. McLerran performing the ceremony.

The bride and groom entered alone. Mrs. Orvin Eixman attended as matron of honor. Orvin Eixman brother of the bride, served as best man. The bride wore a grey suit with white carnation corsage and back accessories.

The matron of honor wore a navy blue street length dress with a pink carnation corsage.

## Interesting Christmas Program Presented To Delphian Club

A most interesting program was presented at the meeting of the Cameron Delphian Club Tuesday. Mrs. Mark Magers and Mrs. Leland Green, Sr., were hostesses for the occasion at the home of Mrs. Magers.

Mrs. Felix Matula, Jr., a native of Czechoslovakia and Mrs. Jesse Holloway who is a native of Germany, brought stories about Christmas customs in their land, in a most interesting manner.

Christmas begins in both lands on December 6, but the decorated tree and gifts are not seen until Christmas Eve. The religious services were explained and the joys and beauty of the Christmas season as described by the charming young women brought a picture of happy homes before the war when they were children.

Nostalgia for their own countries at Christmas was apparent in the talks but both were threaded with enthusiasm for America and love for the community which has welcomed the girls to its heart.

Mrs. Rollan Carr and Mrs. Niley Smith were in charge of the program for the afternoon. Mrs. Carr gave accounts of Christmas customs in several countries, and introduced the guest speakers. Mrs. Smith told a beautiful story of the origin of the song, "Silent Night, Holy Night."

To complete the program Mrs. Majors sang in German, this carol written in the German language in Austria many years ago and still one of the most beautiful of the Christmas hymns.

The meeting was opened by the president, Mrs. Ben Reichert, who called upon Mrs. R. L. Batte for

## Herman Lange Lauded On 62nd Birthday

Herman Lange of Norman Valley was honored with a birthday dinner on his sixty-second birthday recently. The happy occasion took place at the home of Mr. and Mrs. Lange.

A delicious dinner of turkey, chicken, dressing and other foods was served buffet style. The dining table, covered with a pink cloth, held a lovely bouquet of purple and yellow mums.

Attending the celebration were: Mr. and Mrs. Bill Slocum, Mrs. Clara Dornhoefer, Mrs. Ella Pollei, Lawless Wolle, Mr. and Mrs. Edmund Pollei and daughters, Barbara Jean, Helen Lou of Temple; Mr. and Mrs. E. C. Schmidt of Ad Hall; Mr. and Mrs. Herbert Jungmann, Leland, Shirley Ann and Billie Ray of Rogers; Mr. and Mrs. Ed Pollei of Rogers; Mr. and Mrs. Robert Ottmer, and family, Mrs. Fred Piske and Seigfried Wolle.

The honoree received many nice gifts and congratulations.

the Christmas prayer. As Mrs. Morris Eplen read the roll, members and guests responded with Christmas wishes.

Guests in addition to members were Mesdames Sam McDermott, M. M. Johnson, O. B. Horstmann, Raymond Helseth, E. A. Perrin, Ruth Rosson and Leland Green, Jr.

The Christmas theme was carried out in artistic decoration of the pretty home. On the living room mantel was an analagous arrangement of red carnations. The grand piano had a satin-clothed santa with pine branches and baubles for adornment. In the dining room, the table was covered with a green satin floor length cloth, with background decoration of a charming Christmas scene with Santa standing beside a sleigh full of red carnations hitched to tiny reindeer. An epergne with Christmas baubles at the base and red carnations in the bouquet adorned the buffet.

Mrs. Carr served frozen custard from the crystal punch bowl and Mrs. Green, Jr., served white cake squares from a silver tray at the other end of the table. Olives, salted nuts and stuffed dates were also offered. Mrs. Carroll Green presided at the silver coffee service and Mrs. Rosson was at the buffet to assist with hospitalities in the dining room.

## DON'T CHOKE MR. LINCOLN UNCLE SAM STILL NEEDS HIM

When you squeeze that penny, it won't be Mr. Lincoln that will yell, but Uncle Sam. He's running low on coins!

Lately, a plea has gone out from the government for all citizens to turn loose of the coins they have been saving. Junior's piggy bank has gotten most of the blame.

So if you have a piggy bank in the house that's been collecting all the loose coins, bring them down to us and let us exchange them for bills and put the coins back into circulation.

### Texas Manufacturers Reminded By Officials Of December Deadline

Southeast Texas manufacturers today were reminded by officials of the Houston District Office of Price Stabilization that December 19 is the deadline for filing OPS Form 8.

All manufacturers coming under ceiling price regulation 22 or 30 whose annual business volume is \$250,000 or more are required to file OPS Form 8, the OPS officials said. The form is that used by manufacturers to report their price calculations and is filed with the national OPS in Washington, D. C. The OPS emphasized this form must be filed regardless of whether the manufacturer files Form 100 seeking an adjustment in his ceiling prices under the so-called Capehart amendment to the Defense Production Act. Copies of the form may be obtained from the Houston District OPS, 2309 Austin Street, Houston, Texas.

### Milam County HD News From H. D. Agent, Mrs. Alice Hughes

The Milam County Home Demonstration Council held their regular monthly meeting in the basement of the Lutheran Church in Rockdale. Fourteen members were present.

The president, Mrs. George C. Young presided. Roll call and secretaries reports were read by Mrs. V. L. Angell.

A letter from District Judge O. D. Graham was read, and appreciation expressed for his interest in the Home Demonstration work.

Mrs. R. O. Curry THDA Chairman, reported that she has seventeen reading certificates for the county.

Mrs. Curry asked that Mrs. F. R. Doss report on recent information on gifts for the State Hospital patients.

It was reported that last year's Milam County gifts were opened after they arrived at the hospital and that doctors and nurses divided these gifts out to more than 100 patients. It is asked in view of this report that each article given be wrapped individually, and tagged as to contents.

Patients reportedly like toilet articles, and personal items such as costume jewelry and purses. Clothing is also a very appropriate gift.

Quilt scraps and embroidery work are asked to be included where possible to help provide occupations for patients, it would help to pass the time away.

The second council Bazaar and cake sale will be held on December 8. One bazaar will be held in Rockdale, at the McCloud and Timmermon Grocery, the bazaar in Cameron will be held in the W. T. Whatley Grocery. Baked goods will be donated for these bazaar by club members.

Mrs. George Young, Council Chairman reported a special marketing offer for groups interested in budding rose bushes. Bulbs and Mimosa or Red Bud trees from W. T. Pearson in Rockdale.

The County-Wide Christmas Party will be held in the Simon-George Hall in Cameron at 7:30 P. M., December 15. It was voted to invite the 4-H Club girls and county officials.

Each club woman will bring sandwiches and cake or cookies, and juice for drinks. Each club will be responsible for 10 minutes of entertainment.

Mrs. W. E. Boyd, recreation chairman and Mrs. Hugh Wimberly will be in charge of recreation for the evening.

Mrs. Frank Hanel will be in charge of the office.

Club secretaries are asked to send the Council Chairman and the Home Demonstration Agent a complete club roll, and list of officers and committee members for 1952, before January 1.

There will be no council meeting in December.

**THREE WISE MEN**

**BOB** is one wise fellow who's saying Merry Christmas with an electric range. His is a family with a budget... and he knows the economy of cooking electrically. A modern electric range actually saves you money, because there's less food shrinkage. Dependable electricity costs less than one cent per person per average meal!

**BEN** is another wise fellow who knows that with an electric range, the kitchen is easy to keep neat and clean. There's no smoke or soot to blacken pans... only a minimum of clean-up time is needed. He knows an electric range is the ideal gift for a cleaner kitchen!

**BILL** is a smart young man who believes no woman should be a slave to a kitchen! He knows that a modern electric range means more hours of leisure for the wife. Thermostatic temperature control maintains an even heat and a timing device turns the oven on and off automatically, so very little supervision is necessary. Of course, all three wise men know that an electric range is a gift to be enjoyed every day in the year!

MERRY ECONOMIC CHRISTMAS!

MERRY SMOKELESS CHRISTMAS!

Major Robert Mayfield To Return To USA; Four Years In Europe

Salzburg, Austria, Nov. 18.—After more than four years in Europe, Chaplain (Major) Robert B. Mayfield, of the Linz Military Post, left USA this week for reassignment to Ft. Lee, Va.

He is being replaced by Chaplain (Captain) Joseph R. Bancroft of Birmingham, Ala.

In addition to his European tour, Chaplain Mayfield, former minister of the First Baptist Church of Monticello, Florida, spent 22 months in the Pacific theater during World War II.

He is the son of John C. Mayfield, a resident of Cameron.

Chaplain Bancroft recently took part in Operation Southern Pines, the three month maneuver held in North Carolina. A member of the Southern Baptist Conference, he was recalled to the Army in April of this year. He had been discharged in 1946 after three years' service.

Old Rip Van Winkle wouldn't sleep for 20 years nowadays. He would be trying to secure some football tickets.

Mrs. Ed Gunn is at home after being a patient at St. Edward Hospital the past week.

**Short Courses Planned For Dairymen At A & M College**

Dairymen and plant fieldmen who do not have the time for more extensive study and training in subjects related to the dairy industry should find it profitable to attend the 1951 Dairymen's Short Course. It is scheduled for December 6 and 7 and will be held at College Station.

The annual meeting is sponsored by the dairy husbandry department of the Texas A. and M. College System and most sessions will be held in the Student Center.

**Christine Edmonds New Secretary At First Baptist Church**

Miss Christine Edmonds has accepted the position as secretary at the First Baptist Church, Cameron, according to Dr. P. A. Corkern.

Miss Edmonds is the daughter of Mr. and Mrs. W. B. Edmonds of Gause. She is a graduate of the Hearne High School and attended SWSTC at San Marcos for a year and half.

Miss Edmonds had been employed by the Rockdale State Bank for one year prior to taking over duties as secretary at the church.

She is living in the home of Mrs. Annie Reese and is enjoying her work. She comes to the church well qualified for this position.

Win Watch Awards for 4-H Records

**OUTSTANDING** records of achievement in the 1951 National 4-H Dairy Foods Demonstrations and Meat Animal programs have won four Texas club members top state honors. Each received a 17-jewel watch. The winners and brief outlines of their records follow:

Enterprising and successful can best describe Mitchell Robinson, 20, of Ackerly, state winner in the 4-H Meat Animal program. Ability to select, feed and show livestock, are among the many skills he has learned during eight years in the project. Starting in 1944 with one steer and one gilt, he has raised a total of 25 beef cattle and eight swine. He estimates the net income from the marketing and sale of these animals around \$24,000. Mitchell has shown steers at every major show in the nation receiving many awards. In 1950 he showed the grand champion steer at International Livestock Exhibition in Chicago. This young stockman lives on the 610-acre ranch of his parents, Mr. and Mrs. T. M. Robinson and plans to make stock farming his career. An all-around 4-H'er, Mitchell completed 60 projects, among which were cotton, grain sorghum and dairy. He has served as president of his local club, and is a member of the Texas Council. Thos. E. Wilson, Chicago meat packer, has donated the awards in this program for 22 years.

Showing others how to use dairy products to make new and appetizing dishes, won top honors in the 4-H Dairy Foods Demonstration program for Doris Fisher, 15, of Victoria, and the team of Agnes Warren, 17, of Waco, and Cynthia McKethan, 17, of McGregor. Giving demonstrations not only perfected their knowledge, but the girls also developed poise and self-confidence through speaking before community groups. Doris' prize-winning demonstration was "Plain Egg Custard." Knowing the value of eye appeal she added a few strawberries and a mound of whipped cream as a garnish after folding strawberries into the custard. The team demonstrated "Making and Serving Cottage Cheese." The wrist watch award was presented to each of these 4-H'ers by the Carnation Company for their excellent work.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

I have noticed how often the friends of Southern Select Beer speak of its mild, smooth flavor...

The fact that Southern Select is appreciated more for its mildness and smoothness than any other popular-priced beer has been further confirmed by an extensive survey of the beer-drinking public, which has been made for us by a leading research organization.

Since "not bitter" and "mild flavor" are qualities much desired by folks who enjoy beer, I think we at Southern Select should be proud that our beer is especially recognized for this flavor distinction.

## Diabetes Death Rate Reported Increasing

Diabetes, a disease for which modern medicine can do much, took a toll of 887 lives in Texas during the past year, according to Dr. Geo. W. Cox, State Health Officer.

"While the communicable diseases such as typhoid fever, malaria, diphtheria and small pox are causing a decreasing number of deaths each year in this State, diabetes is now taking an appalling number of human lives, especially in the middle-aged group," Dr. Cox said.

"Until recent years diabetes was not noted as a major problem but it became accepted as such in direct ratio to the development of medical laboratory procedures, which made the disease more easily diagnosed.

"Diabetes is generally recognized as a class disease. It seems to attack the white collar class of indoor men and women much more frequently than it does the outdoor person whose work is more vigorous and calls for more exercise.

Mr. Henry recently moved to Cameron from Marlow, and is well known in the city. He has been overseer at the Giles McDermitt farms for a number of years.

## MR. JAMES "Jimmy" WIGGS

In these days of crowded highways streets, new drivers liability law, and all sorts of claims for automobile insurance protection, it is well to have a company that specializes strictly in automobile insurance in its varied forms. Realizing this need, Mr. James ("Jimmy") Wiggs, a native of San Antonio and former school teacher in Goliad, Texas, decided to open an office in Cameron last June, specializing in automobile policies only.

Mr. Wiggs received his education in the public schools of Texas and graduated from Southwest Texas Teachers College at San Marcos, after which he taught school for two years. He is a Marine veteran of World War II, when he served for four years. He is married to the former Miss Charolett Childress of this city and is popular in the city. Mr. Wiggs is a member of the Junior Chamber of Commerce, Chamber of Commerce and the Country Club.

In his business, Wiggs Insurance Agency, Mr. Wiggs makes a specialty of writing policies that cover every risk the motorist takes, especially complying with the 5-10-5 Texas Drivers Responsibility Law. In addition he writes all forms of personal injury, property damage, liability and car protection. He represents only strong companies, noted for prompt, reasonable adjustments and invites inquiries at any time. Wiggs Insurance Agency is located in the Citizens National Bank Building and the telephone number is 3.

## A. W. McCullin Named Chairman Of County Blood Donor Program

A county-wide meeting for the organization of a Blood Donor program for Milam County was held at the Milam Coffee Shop, Tuesday night, November 27.

A. W. McCullin was named as County Chairman. He worked with a similar program during World War II, and has shown much interest in the present project.

The county was well represented at the meeting as civic leaders from all sections were present.

L. A. Summers, field representative of the Red Cross, from Waco, discussed the need for blood in Korea and went on to say that 70 per cent of the blood given the wounded soldiers came from the G. I's themselves, adding that the remaining 30 per cent came from civilians.

This fact alone should stir some interest among civilians to try and do their part to win this battle for democracy. The least we can do, is give our blood for such a worthy cause.

Mr. McCullin said that plans

are underway to bring a Mobile Unit to this county. Different days will be designated for various sections of the county where blood donors may come and give blood. Proper instructions and procedures will be announced late concerning the time, location and hours for each separate area of the county.

Mr. Summers stressed the fact that the increased need for the blood in Korea has caused an acute shortage and the medical corp is literally scraping the barrel for blood for American soldiers.

Assistance and cooperation is essential in making such an important project successful. Even that you may not be able to give blood, nurses aides and other helpers will be greatly needed to assist in the work.

There is always a need for blood for our fighting men and at the present time the situation has become critical.

R. L. Smith of Hearne enjoyed deer hunting in Llano County recently and was happy to bring home two deer, a four point and a seven point. Mr. Smith is the son of Mr. and Mrs. Joe Smith of Cameron.

Fertilizer mixtures and quantities needed for growing crops can be determined by testing soil samples. Instructions for taking soil samples and sending them off for testing are available at county agents' offices.

## Texas To Get More Television Stations

Texas soon may have twice as many television stations as any other state. It now has transmitters in only three places. If every station allotted to Texas by the Federal Communications Commission is built, it will have 176 in a few years, according to an article in the December issue of Popular Science Monthly. The entire country now has only 108 television stations. In a relatively short while it will have 2000., the article states.

This dramatic move toward letting everybody sit in television's ringside seat on the world is made possible by invading the ultra-high frequency range of radii waves. Television now hses the very high frequency range, where radio wave lengths are four to 18 feet long and travel about 40 miles. Ultra-high-frequency, or UHF, waves are so short they act almost like radar, and travel only 15 miles. Shorter waves make it possible to have more stations.

## Editor Receives Letter Of Appreciation From Gonzales Club

The following is a letter received from Willis W. Ellison, president of Gonzales Quarterback Club. The Editor of the Cameron Herald appreciates the kindy gesture and would like to pass it on to the readers of the paper. The Editor Cameron Herald, Cameron, Texas.

Dear Sir: At the request of the members of the Gonzales Quarterback Club as well as the people of Gonzales who made the trip to Cameron for the bi-district game between Cameron and Gonzales, I want to express to the people of Cam-on, including the school officials, coaches, members of the football squad, and the citizens of Cameron, our appreciation for the numerous courtesies extended to us while we were in your town. It is the general opinion of the

Gladys Pierce of Cameron. A native of Bell County, she was born at Killeen, February 27, 1886.

Funeral services were scheduled from the Chapel of the Marek-Burns Funeral Home, Friday November 30, with Rev. T. A. Binford, pastor of the First Baptist Church of Rosebud and Dr. P. A. Corkern, pastor of the First Baptist Church, Cameron, officiating.

Burial in the San Saba Cemetery with Marek-Burns directing the arrangements.

Surviving are three sisters, Miss Gladys Pierce of Cameron; Mrs. Nettie Scott of San Saba and Mrs. J. T. Tomlinson of Littlefield; four brothers, Earl Pierce Ft. Worth, Dea Pierce of Ft. Worth, W. E. Pierce of Ropesville and E. E. Pierce of Post. Several nieces and nephews also survive.

people of Gonzales that they have never been treated more courteously, with greater hospitality, or more sincere friendliness than was demonstrated by the people of Cameron on this occasion.

It was the sportsmanship and fair play demonstrated by your football squad and your town that makes us hope that your boys can continue to go along way, and maybe all the way, in the state race, and our sincere desire is that sometime in the future we shall have an opportunity of reciprocating the many favors that were extended to all of us while in your fair city.

I can assure you that this expression of appreciation comes, not from just a few, but is a whole hearted feeling on the part of all our people that attended the game.

Very truly yours,

Willis W. Ellison,  
Gonzales Quarterback Club

YOEMEN LOSE

(Continued From Page One)  
ing Batte on his pass attempts.

The second half saw the Pirates taking the kick-off and again it was a ground battle between the 35 yard lines with the Pirates in possession of the ball on the Yoemen 47 as the quarter ended.

The fourth quarter opened with the Bucs charging at the Yoemen line. Glenn Schultz on a pitch out to Keller netted a first down. Dailey got 3. Keller and Dailey teamed up on the play and swept down to the Yoemen 32. Dailey took a shovel pass from Schultz and squeaked down to the 14. Here a penalty against the Yoemen set up another Td for the Pirates with Tyler going over for the tally. The pass for the extra point was good.

The Yoemen came right back with the kick-off and drove to the Pirate 25 with Rosenberg doing some good marching after taking a pass from Batte. A first down play netted one yard, then the Yoemen took to the air trying desperately to at least tie up the ball game. Batte shot three beautiful passes down near the Bucs goal line only to have them batted away by Keller and Beheler. Rosenberg almost got his hands on one as he jumped high on the two yard line. These moments were tried for both Cameron and La Vega fans as Cameronites had not forgotten the last minute sensational catch by Rosenberg in the game against the Georgetown Eagles.

After the Pirates could not make a first down the Yoemen took the ball on their 21 and again took to the air only to have Beheler intercept on the 29. The Pirates were bucking the line in the fading seconds of the game around the Yoemen 20 yard line.

The capacity full crowd at the Thomason field never witnessed a better game and the big touted Bucs were kept in hot water until the final gun by a battling band of Yoemen. The Pirates put on more speed in the final quarter when they were able to pue over the winning tally.

Both teams played an excellent game and coaches of both teams are to be commended for bringing such fine teams into this regional battle. The difference in the game might have been the weight average of 187 for the Pirate backs to the 140 of the Yoemen speedsters.

The game was cramed-packed with tense moments and neither was certain of a victory until the final gun sounded.

The Yoemen have played one of their best seasons in several years. All of them deserve top-notch praise for all the Glory they have brought to their team, School and City. This was the third time in five years that the Yoemen have gone into regional battle only to be defeated by a small margin.

All of the Yoemen are stars in our estimation and win or lose we are behind you. We are proud of you and your coaches for having such a successful season.

The Yoemen have been rated as the fastest gridiron machine in the race for the AA championship. Much praise was given the wonder boys, Rosenberg, and Lankford by the La Vega Rooters as well as praising that Yoemen defense.

S. J. Bunce Henry  
Operation At Newton  
Undergoes Emergency

S. J. Bunce Henry underwent an emergency operation at the Newton Memorial Hospital Saturday night, December 1.

Mr. Henry was stricken ill at his home late Saturday and was rushed immediately to the hospital where surgery was performed. It was reported Monday by Dr. David Shapiro, attending physician, that he was making considerable progress but will be hospitalized for a week or ten days.

Women's Day Will Be Observed  
At First Christian Church Sunday

The annual observance of Women's Day at the First Christian Church will be held next Sunday, December 9, with the guest speaker, Mrs. Bertha Mason Fuller, speaking at the 11 o'clock hour. Mrs. Fuller has been active in Christian Church work with the United Christian Missionary Society for more than 50 years. She was the first woman missionary sent to Mexico by the UCMS and was responsible for the first funds raised for the buildings of the Disciples of Christ mission. Although she is seventy-five years old, Mrs. Fuller has recently returned to her alma mater, Texas Christian University, from which she was graduated with her bachelor's degree in 1896. During her years in the school, she was one of a committee of three who selected the colors, Purple and White, for the first football game the University played. She is, at present, working on a biography of her father's life as an Area Secretary for the Brotherhood in the early part of the century. She is enrolled as a graduate student in TCU's seminary, Brite College of the Bible where the local pastor is also taking work.

Funeral Services Held Tuesday For  
Al Henry, Milam Pioneer Resident

Al Henry, 73, died at the home of his daughter, Mrs. Williams Whitaker, Monday night, December 3, 1951.

Mr. Henry had been in declining health for the past several years. His condition became critical Saturday. He had recently been a patient in Newton Memorial Hospital, but had made some improvement.

Texas Power & Light  
Co. Marks Twenty-Fifth Anniversary

December marks the twenty-fifth anniversary of Texas Power and Light Company in Cameron, it was pointed out this week by Henry M. Siebman, TP&L district manager.

"Little is known of the beginning of electric service in Cameron," Mr. Siebman said, "except that it is believed the first service was made available by the Texas Gin & Compress Company about 1895. An old style, direct current plant was installed in the building housing the gin company and served about 50 customers only from darkness until about eleven p. m."

According to some of the officials of the company, residents were induced to take the service by having their houses wired free of charge, he said.

"This planted operated until 1900 when the Cameron Water, & Light Company purchased the plant. Its list of directors included some of the pioneer leaders of Cameron," Mr. Siebman said. "There were C. W. Lawrence, C. H. Yoe, John M. Hefley, M. P. Kelly, F. M. Crawford, H. F. Smith and M. M. Kemp on the company's original board. In 1912, the number of directors was reduced to three with all the stock held by Mr. Lawrence, T. S. Henderson and one share held by T. S. Henderson, Jr."

The electric plant of the Cameron Water, Power & Light Company was located on the river where it was operated in conjunction with the water works, he continued, but a heavy overflow made it necessary to move the generating station and it was taken to the present site of the ice and cold storage plant.

Three years after this, the system was changed over from a direct current to an alternating current. In 1914, the plant discarded the steam boilers and installed Diesel engines for operating the generators.

All during this time Cameron was growing and there came a time when it was decided that the small local plant could not give the town the full benefit of the developments of electric service.

Under the leadership of Mr. Lawrence, the company decided to sell the electric plant to the Texas Power & Light Company which had been organized in 1912 and which had, by this time, strung its powerful high-voltage lines throughout a large part of north, central and east Texas. The sale did not include the water properties.

"The City Council, Wednesday night, approved the transfer of the city light and power franchise from the Cameron Water, Power & Light Company to the Texas Power & Light Company," says a Cameron news item of November 5, 1925.

"This deal, which is a merger, rather than a sale," it continued, "will give Cameron increased power and light facilities and lower rates, made possible by enormous production. The change, based on last year's consumption, is estimated to result in a saving of seven thousand dollars a year to local consumers of light and power." The item pointed out that Cameron would be given the same low power rates as other cities having central station service.

ment from his illness, until a few days ago.

A native of Milam County, he was born in the Marlow Community, November 27, 1878, the son of the late Jesse Reese and William Henry. His family was among the pioneer settlers in this part of the state.

He was a brother of S. J. Bunce Henry of Cameron. Mr. Henry was a retired farmer. He had lived in this county all of his life with exception of seven or eight years when he resided in Eastland and Bosque counties. He was a member of the Masonic Lodge.

Funeral services were scheduled at the Marlow Baptist Church, at 2 p. m. Tuesday, December 4, with Rev. R. B. Baker, pastor, officiating.

Interment in the Marlow Cemetery with Marek-Burns Funeral Home making the arrangements. Surviving are his widow, Mrs. Pearl Hardwick Henry; three daughters, Mrs. Gertrude Whitaker, Mrs. Ora Pratt and Mrs. Myrtle Burnett all of Marlow; one brother, S. J. Bunce Henry of Cameron. Thirteen grandchildren and six great-grandchildren also survive.

Owen F. Stidham,  
Home After Eight  
Months In Far East

Owen F. Stidham, electrician second class, USNR, is home on a thirty day leave from the Navy. He arrived in Cameron Thursday, November 21 and his many friends will be glad to know of his return visit.

Stidham was called to active duty with the Navy in 1950 and has not been at home since last Christmas. He served four years with the Navy in World War II.

Stidham, husband of Mrs. Hazel R. Stidham of 639 West 1st St., Cameron arrived in San Diego, California, aboard the attack transport USS Lenawee after an eight month tour of duty in the Far East.

The Lenawee, with the USS Menard, another attack transport, combined to lift one of the largest groups of Marines to be rotated under the Marine Corps rotation plan since the outbreak of the Korean War. The two ships carried a total of 3,000 combat Marines back to the west coast.

The Lenawee left the west coast last April for the Far East. Apart from normal employment, she has conducted amphibious training operations and made routine calls in Japanese ports and at Hong Kong.

The epidemic has struck 68 persons in Odessa and Ector County this year. Nine persons have died. Full help of the foundation has been promised to fight the disease.

"These cheap power rates," it said, "will enable Cameron to offer as good inducements for the location of a cotton mill or other industrial plant, as most any city in Texas."

Within less than a year, TP&L had constructed a high-voltage line from Temple into Cameron. Today, a 66,000 volt line provides a two-way source of electric power for the city from either Temple or the Company's substation at Minerva.

"In December, 1926, when Texas Power & Light Company began serving Cameron, the rates began at 15 cents for the first fifty kilowatts hours, or a cost of \$13.50 for 100 such hours. Since that time, the Company voluntarily has reduced rates until today 100 kilowatt-hours cost only \$4.71, a reduction of \$8.79 or 65.1 per cent from what they cost twenty-five years ago," he reminded.

Organized in 1912, TP&L built the state's first transmission line in 1913. The Company pioneered rural electrification in Texas, building its first rural line in 1915. At the present time it serves more than 90,000 farm and rural customers.

Always it has been the policy of the company to plan ahead to anticipate the demands of its growing number of customers. Mr. Siebman pointed out. A big expansion program which began in 1947 is adding new generating capacity and making additions and improvements to transmission lines, distribution and rural lines, and power plants and substations—all to bring added assurance of ample, dependable, low cost electricity to the 52-county area Texas Power & Light Company serves.

Last Rites Held For  
Miss Abia Pierce

(Contributed)

Abia Pierce was born February 27, 1886 in Killeen, daughter of the late Mr. and Mrs. Young Pierce Jr., and grand daughter of Young Pierce Sr., who was killed in the last Indian raid in Bell County.

The family moved to San Saba when she was five, where she remained until eight years ago when she came to Cameron to make her home with her sister, Miss Gladys Pierce. She taught school many years in San Saba and Hockley Counties and at Ben Arnold in this county.

She was stricken Sunday, November 25, while visiting her brothers in Fort Worth. She was taken to All Saints Hospital where she passed away Thursday, November 29, 1951, at 10:20 A. M.

Her remains were brought to Cameron and services were held at Marek-Burns Funeral Home at 2 P. M. Friday, November 30, by Rev. T. A. Binford, pastor of First Baptist Church at Rosebud, her former pastor and long time friend of the family. He was assisted by Dr. P. A. Corkern, pastor of the First Baptist Church where she had her membership.

Funeral services were held at First Baptist Church in San Saba, Saturday, December 1, 1951 at 3 P. M. by Rev. Sam D. Taylor, assisted by Rev. Don Hendricks. Burial was in China Creek Cemetery a few yards from where she attended school and later taught her first school. Pall bearers were her former pupils.

She is survived by four brothers: E. E. Pierce of Post; W. E. Pierce of Ropesville, Earl and Dea Pierce of Fort Worth, three sisters, Mrs. J. F. Tomlinson of Littlefield, Mrs. Nettie Schott of San Saba and Miss Gladys Pierce of Cameron, 28 nieces and nephews and a host of other relatives also survive. She was preceded in death by her parents and one brother and sister.
